CAPTIVATING QUILTERS...

The BERNINA 770 QE Tula Pink Edition offers a host of magical features that make sewing and quilting easier. Innovations like the semi-automatic threading system, the BERNINA Stitch Regulator (BSR), BERNINA Dual Feed (BDF) and BERNINA Adaptive Thread Tension let you fly through tedious tasks in the pursuit of magical and creative adventures.

The BSR foot assists with free-motion sewing and quilting, ensuring stitches of the exact same length, even at variable sewing speeds. The innovative BERNINA Dual Feed provides superb fabric feed, even with hard-to-manage fabrics. The BERNINA Adaptive Thread Tension constantly checks the thread tension, adjusting it automatically as-needed. The result is superior stitching without pressing a button. The centerpiece of the B 770 QE Special Edition is the BERNINA Hook. Precise, fast and quiet, it sews and embroiders perfect seams.
