### **DESIGNED FOR QUILTERS**

The BERNINA 770 QE Anniversary Edition offers a wealth of features that make sewing and quilting easier. Inventions such as the semi-automatic threading system, the BERNINA Stitch Regulator (BSR), BERNINA Dual Feed (BDF) and BERNINA Adaptive Thread Tension testify to a great spirit of innovation.

The BSR foot assists you with free-motion sewing and quilting with a straight or zigzag stitch, ensuring stitches of the exact same length even at variable sewing speeds. The innovative BERNINA Dual Feed tames hard-to-manage fabrics providing superb fabric feed and optimum visibility while sewing. Easy to engage when needed, the BERNINA Dual Feed tucks completely out of the way when it's not required.

The BERNINA Adaptive Thread Tension provides ideal thread tension while sewing to achieve perfect stitch quality on both sides of the fabric. Once the tension is set according to the thread and fabric used, BERNINA Adaptive Thread Tension will constantly check the thread tension, adjusting it automatically when needed. The result is the finest stitching without pressing a button.

The centrepiece of the B 770 QE Anniversary Edition is the BERNINA Hook. Precise, fast and quiet, it sews perfect seams.

Not only does the B 770QE provide you with ample space for big, beautiful sewing and quilting projects, with its 9 mm stitch width, it is also ideally suited for decorative stitching. The extra-large embroidery module (available on option) lets you stitch out maxi-sized motifs.
