Lesson 2 - Power Zips

Zippers can be added anywhere to up-style your favorite patterns and ready-to-wear. See how zipper feet make this an easy task in combination with machine features - even an overlocker/serger can do zippers.

Lesson 4 - Today's Table

Lesson 5 - At Your Fingertips

Combine old and new to create a WOW accessory that keeps everything at your fingertips. In this original-designed clutch, mix tiny piecing for a bold geometric pattern, create a tweed from ordinary stitches, blend fabric with Kraft-tex and more for this 'IT' clutch.

Lesson 6 - Easy Style Dress

Embrace the Maxi-Dress - or a tank - or any size in-between. This VERY easy-to-sew and simple-style dress leaves you plenty of time to embellish. Make it yours with pintucks, eyelets and Spanish hemstitching. Add decorative stitching and pintucks in subtle and classy ways.

Lesson 7 - Home is Where the Heart Is

A little here and there can complete each room of the house with decorative pillows you've seen in magazines - simple piecing, tapering, large letters, quilted effects, tiny ruffle trim and corded piping all create special effects for all styles.
