Q-TOOL SEWING EDGE

59/B7215B

This simple tool is a re-positional vinyl stop which allows for easy alignment & faster consistent sewing. It will work on ALL machines! By allowing you to line up your fabric in front of the foot rather than at the needlefoot there is a better chance of successful straight seams!

MAGNIFIED SEAM RIPPER

59/BD639

Easy to use magnifier enlarge view of blade and stitches. Magnifier reduces eye strain and helps to prevent accidental cuts. Use seam ripper to cut and remove stitches and to cut buttonholes open.

5-IN-1 SLIDING GAUGE

59/BCL9506

A multi-functional sliding gauge for easy marking. Use for spacing and marking buttonholes, seam allowances, as a hem gauge, circle compass and T-gauge.

CLEARLY PERFECT ANGLES SEWING TOOLS

59/B1-1911

Template easily "clings" to acrylic sewing table. Always in position and ready to sew accurate 45 degree angles. All without paper, pencils, or pins. Colour coded for easy use. Save time and money! 1/4" and 5/8" seam guides. Use to make effortless triangle squares, flying geese, snow balls, miters, and bindings.

6TH FINGER STILETTO

59/B7016Z

With your sewing machine and the 6th Finger Stiletto, you will be creating your own ribbon embroidery designs within minutes. The split fork is perfectly slanted to get into the tightest of places. Comes with instructional CD. Overall length 7.5".

BODKIN SINGLE

59/BCL410

FINGER PRESS

59/BCL495

Press seam allowances open on applique or paper piecing easily with this sturdy plastic presser. Has a unique "dimple" on top for proper finger placement. Suitable for right or left hand use. Can also be used like a non-chalk marker for marking quilts.

PERFECT SEW

59/B7946Z

New thicker solution provides maximum stabilization-greater stiffness in only one application. Perfect Sew penetrates fabric to stiffen it for a multitude of sewing projects, including machine embroidery. Use this product for perfect stitches and no puckering on machine embroidery, appliques, patchwork, heirloom sewing, rolled edge serging, bias sewing, and more. It stabilizes even the sheerest and stretchiest of fabrics. Non-toxic, non allergenic & environmentally safe. It is safe to use on most washable fabrics. Test first on a scrap.

FIBRE ETCH 4oz FABRIC REMOVER

59/B7258

Easily make your OWN designer fabrics! Create transparent areas on specialty fabrics! A unique gel product for creating etched designs and cut away effects in fabric. Fiber-Etch chemically removes plant fibers of cotton, linen, and rayon while leaving synthetic, wool and silk fiber intact. Apply or silk screen Fiber Etch gel and allow to dry - heat to activate - and rinse fibers away. Fiber Etch also removes fabric within embroidered or painted areas for 'cutwork' effects. 2oz. bottle, blister packaged.
