## Quilting & Sewing Accessories

### MAGNA HOOPS

Angelina heat bonded "hot fix" fibres bond together to produce a nonwoven type of fabric. The iridescence of the fibres remains throughout the bonding process. Packages contain ½ ounce of fibre and available in 18 colours.

#### BNA MAGNA HOOP C.145 X 255MM OVAL

59/B8016-30

Eliminate the need for adhesive stabilizers and sprays! The Magna Hoop will not only reduce your hooping time, but it allows you to embroider all those difficult-to-hoop items like colors, cuffs, and pocket flaps. Includes: one metal base plate; Three (3) large, acrylic frames (large, medium, and narrow rectangle); Four (4) sets of super-strong magnets; 45+ minute DVD; Full colour reference manual; Adhesive gripping strips; and Target stickers.

#### BNA JUMBO/MAGNA HOOP 150 X 400MM

59/B8016-80

Eliminate difficult hooping and stabilizer for machine quilted blocks and borders! Perfectly places continuous design embroidery on items such as draperies and sheets plus, expertly and precisely embroiders longer belts and straps. Includes: One metal base plate; Three (3) large acrylic frames (large, medium, and narrow rectangle); Two medium weight fabrics & a tall set for fabrics with a higher loft (like quilts and towels); 45+minute DVD; Full colour reference manual; Adhesive gripping strips; and Target stickers

#### JANOME MAGNA- HOOP B.5.5" X 7.9"

59/B8016-20

Eliminate the need for adhesive stabilizers and sprays! The Magna Hoop will not only reduce your hooping time, but it allows you to embroider all those difficult-to-hoop items like colors, cuffs, and pocket flaps. Perfect for speciality fabrics - no risk of hoop burn! The Magna-Hoop Set also includes a 30-minute Insider Hooping Techniques DVD and a 12-page full colour instruction manual.
