BERNINA Embroidery Software V5 - ADX V7.2 Update (BERNINA 580) installation manual

Note:

The instructions take you step-by-step through the installation of the ADX-patch (Artista Data Exchange) on a computer with a Windows® XP / Windows Vista™ or Windows® 7 operating system (32 Bit or 64 Bit version).

These instructions are also valid for further ADX updates - hence, the file names and illustrations used may be different, depending on the update and the installed operating system. In this installation manual, illustrations from Windows® 7 and Windows® Internet Explorer 9 are used.
