

# Curve Foot

#C23  
Overlocker

## Information

### Purpose

- For all overlock and cover stitches.
- For general sewing applications with facilitated fabric feed.
- For easy guiding of the material when sewing small rounded shapes and curves.

### For Your Safety

Before using this accessory, please read this instruction manual as well as the instruction manual of your machine carefully.

### Markings

- A Cutting Line at Cutting Width 6
- B Right Needle for OL (RN)
- C Left Needle for OL (LN)
- D Right Coverstitch Needle RC
- E Center Coverstitch Needle CC
- F Left Coverstitch Needle LC

## Application

### Sewing Rounded Shapes and Curves

The narrow design and the shorter length of the foot sole allow maneuverable sewing of small rounded shapes and curves.

- > Set the desired stitch according to the stitch overview.
- > Reduce the stitch length for small rounded shapes and curves. (Fig. 2)

### Positioning the Fabric while Sewing

- > Stop sewing.
- > Lower the needles.
- > Slightly raise the presser foot.
- > Flatten the sewing material as much as possible in front of and behind the needle.
- > Lower the presser foot and continue sewing. (Fig. 3)

### Tip

- > In order to enable precise work, the knife can be deactivated for small curves and for the 3-thread overlock stitch narrow (RN).
