Application

Using the decorative-thread spool pin

- > Hook the decorative-thread spool pin at the spool stand near the spool pin which is not used and engage the clip at the bottom. (Fig. 2)
- > Place the spool on the spool pin. Place the spool over the centering aid to stabilize the spool, if necessary.
- > Secure the spool with the spool cap. In doing so, make sure that the spool can rotate.
- > Pull the thread over the retractable thread guide and thread the machine. (Fig. 3)
- > To remove the decorative-thread spool pin, release the clip at the bottom and unhook the spool pin.
