

# Shirring foot

#L24

Overlocker

1

## Information

### Purpose

- For shirring/gathering light to medium weight, single layer fabrics.
- For smooth, balanced fabric feeding of very light, slippery single layer fabrics.
- For sewing on tape up to a width of 12 mm.
- For all overlock stitches.

### For Your Safety

Before using this accessory, please read this instruction manual as well as the instruction manual of your machine carefully.

### Markings

- A Cutting line at cutting width 6
- B Right needle for OL (RN)
- C Left needle for OL (LN)
- D 1 cm distance to the cutting line A at cutting width 6
- E Adjustable tape guide

## Application

### Shirring

- > Thread and set the machine for 4-Thread Overlockstitch.
- > For shirring, set the differential feed to 2.
- > For increased shirring, increase stitch length to 4.5.
- > For easing (gather to fit) of full hems or sleeve caps.

### Sewing on tape

The use of the tape guide is described in the instruction manual of the machine.

### Tip

- > To gather fabric while sewing it together with a flat piece of fabric, use the Gathering Foot.
