2

Information

Scope of delivery

- Patchwork Foot #97D
- Patchwork Seam Guide
- Screwdriver
- Fixing screw

Purpose

- For patchwork and other exact work, if working with BERNINA Dual Feed.

For your safety

Before using this accessory, please read the instruction manual at hand as well as the instruction manual of your machine carefully.

Markings

- 1/4" (6 mm)
- 1/8" (3 mm)
- 7.5 mm

Application

Assembling the patchwork foot

- > Attach the extension table.
- > Insert the Straight and CutWork Stitch Plate and select it in the user interface if possible.
- > Mount the presser foot and select it in the user interface if possible.
- > Engage BERNINA Dual Feed.

Optional

- > Place the patchwork seam guide above the special accessory connection and lightly fix it in place with the fixing screw in the left thread opening. (Fig. 2)
- > Move the patchwork seam guide according to the required seam allowance towards the presser foot.
- > Tighten the fixing screw.

You can find further information at:
www.bernina.com

Using the patchwork foot

- > Select the straight stitch.
- > Set the stitch width to 0.
- > Set the stitch length to 2 – 2.5.
- > Set the needle to the center position.
- > Engage the needle stop position down.
- > Place the fabric beneath the presser foot.
- > Align the fabric edges with the required presser foot marking or the patchwork seam guide.
- > Lower the presser foot and sew.
