BERNINA PaintWork: how to create a design with the PaintWork Software

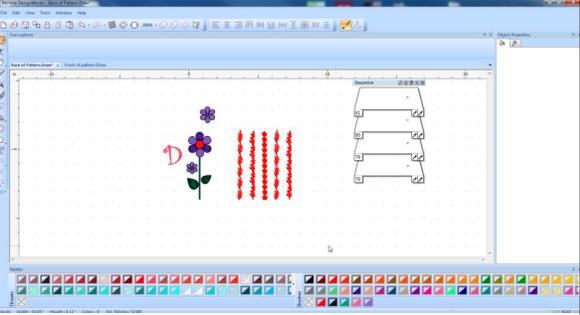

The powerful BERNINA PaintWork software turns your BERNINA B 580, B 750 QE, B 780 or B 830 into a creative multi-functional drawing tool for high-quality fabric paintings. Watch this video to learn how to use the software and create your own enchanting designs quite simply on your PC screen. Importing, customizing or self-designing motifs, setting up colours for shapes and outlines freely, resizing or customizing motifs – PaintWork will make

BERNINA PaintWork: how to use PaintWork with your BERNINA embroidery system

Using the BERNINA PaintWork tool, you will achieve impressive high-quality fabric paintings in no time: after just some easy preparations, your PaintWork motif can be performed accurately by your BERNINA B 580, B 750 QE, B 780 or B 830 and fixed safely by ironing. Watch this tutorial video to learn how to paint with your BERNINA sewing machine!
