

Steckborn, July 2019

Dear E16 Customer

The new software for the E 16, v11.08.092, is located on the Hightail download server.  
To show you the most efficient way to receive the following file, some initial help.

File name of the download: 2019.02.15.0 - Bernina 11.08.092.zip

Link to the download server: <https://spaces.hightail.com/receive/6BKw2zv3tx>

When clicking on the link above, you will receive the following screen.  
You click on the orange button "DOWNLOAD ALL" to receive the Zip File.

Thanks for using the BERNINA E 16

Kind regards

BERNINA International AG
