BERNINA
SWISS ENGINEERING
SPECIAL EDITION

inch **extended freearm**
g 10 inches of space to
of the needle
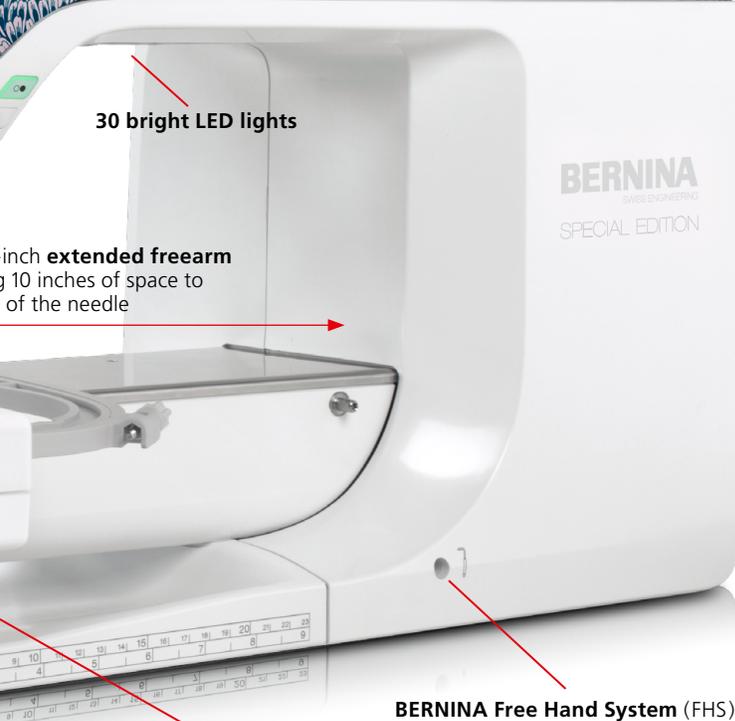

BERNINA Free Hand System (FHS)

BERNINA Hook with 9 mm stitch width sews precise stitches at faster speeds while quieter than ever. The extra-large bobbin holds up to 70% more thread than standard bobbins with fewer stops.

ALL THE EXTRAS KEEP YOU PEACOCK PROUD!

BERNINA Machine and Module Suitcases are specifically built to safely and beautifully take your machines and module wherever you need to go. Pockets both inside and out store all the accessories you need perfectly. Strong wheels and a telescopic handle allow you to pull your equipment with ease. The side handles are convenient for loading and unloading the bags. The embroidery-module bag is easily attached to the XL suitcase's telescopic handle or carried separately with the adjustable shoulder strap. Taking your creativity on the road is easier and more convenient than ever thanks to BERNINA!

The **Three-sole walking foot with seam guide #50** is a wiz at working with challenging fabrics. It comes standard with the B 480 SE and can also be used with the B 790 PLUS SE. Especially well-suited to machine quilting and to sewing "sticky" materials, this foot also helps with matching stripes and plaids by preventing the fabrics being stitched together from shifting.

EASILY TAME DIFFICULT FABRICS WITH THE BERNINA WALKING FOOT #50!
