made to create **BERNINA**

A well-designed champion

Based on a design by amazing quilt star Tula Pink, BERNINA has added a special edition model to the 3 Series. Standard accessories for the new sewing machine include the slide-on extension table, the practical Free Hand System (FHS), the BERNINA walking foot as well as two feet for quilting and patchwork. The B 350 Tula Pink Special Edition is a great machine for quilters, especially those who admire the skills of the self-declared «rock princess on a throne of bolts and bobbins». As your skill set grows, the B 350 is easily upgraded with lots of optional accessories.
