BERNINA

Everything a newcomer could want

The BERNINA 800 DL and 700 D overlock models provide you with straightforward and affordable access to the fascinating world of overlocking. Versatile, practical features make these machines especially easy to operate and enable you to precision-sew in a number of different techniques.

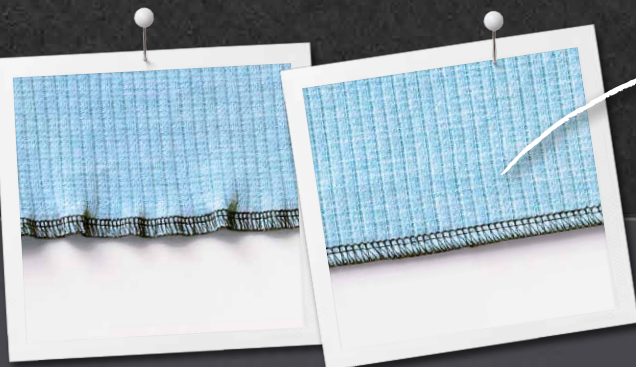

Rolled hem lever

Simply flick the rolled hem lever to switch effortlessly to a rolled hem stitch and back again, with no need to change the stitch plate or presser foot.

Adjustable thread tension

The practical slides show you the current thread tension and allow you to make stepless adjustments appropriate for your project.
