

Requirements for the installation:

- Any other applications are closed.
- The administrator privileges must be ensured.

Before starting the installation of the DesignWorks software, make sure that the dongle (USB Stick) is not inserted.

Step 1: Start the download, via the link «BERNINA DesignWorks Software».

Step 2: A dialogue window is opened. Click on «Save as».

		Save

BERNINA_Designworks_exe.2ip		Open	
		Open in new window	
		Extract All	

Choose the target file and click on **«Extract»**.

Select a Destination and Extract Files	
Files will be extracted to this <u>folder</u> : C:\Program Files (x86)\BERNINA_DesignWorks_Soft	ware Browse
Show extracted files when complete	

Step 5: Open the folder. To start the installation click on the file **«DesignWorks.exe»**. The installation starts automatically.

Confirm the security message by clicking **«Allow»**.

Any further installation steps are provided in the BERNINA DesignWorks Book. This instruction is available from the «Download area» on the BERNINA website **«www.bernina.com»** under DesignWorks.

Please mind:

Step 1 from the BERNINA DesignWorks Book «Inserting installation media» doesn't have to be carried out anymore.
