

Embroidery Project

Modern Mix Quilt Block 2

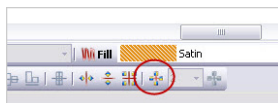

Created by Nina McVeigh

Create the Design

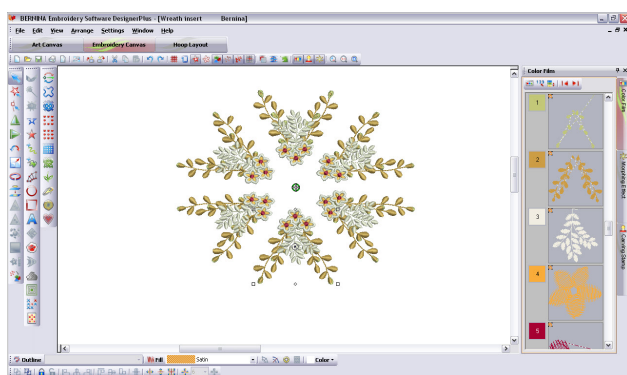

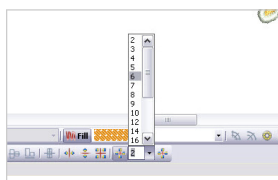

- Open BERNINA Embroidery Software and open the design previously saved as "wreath insert."

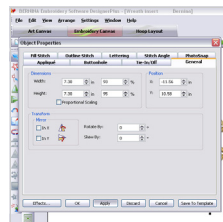

- Select the design and select the Wreath Tool.

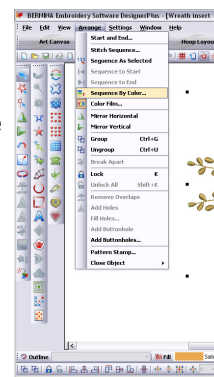

- Select 6 Wreath Points.
- Arrange the wreath sections as shown.

- The finished wreath should measure 7.3" x 7.3". To achieve the exact measurement, open Object Properties > General and input 7.3" in the length and width boxes. Select Apply.

- Now that you have completed the design, go to Arrange > Sequence by Color to group the colors in the design.
- Save design as "Block 2". Send to the machine of your choice.

Embroider the Design

- Cut the fabric for Block 2 to 14" x 14".
- Hoop the Block 2 fabric with OESD PolyMesh Stabilizer.
- Embroider the design.
- Square the block to 12½" x 12½".

Finished size: 12" x 12"
