

Embroidery Project

Modern Mix Quilt Blocks 3, 4 & 5

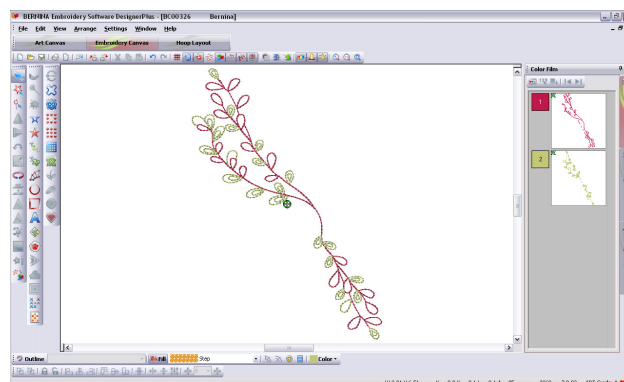

Created by Nina McVeigh

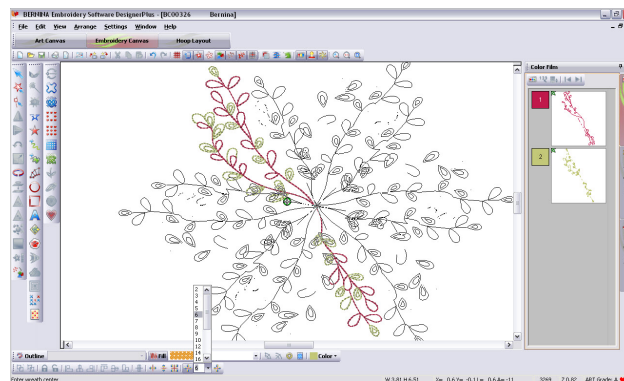

Blocks 3, 4 and 5 are all embroidered on the cream fabric. These designs are all of a size that can only be embroidered in the BERNINA 830 Jumbo Hoop. Other machines must either split the designs in software or reduce them to fit the largest hoop available.

Design Block 3

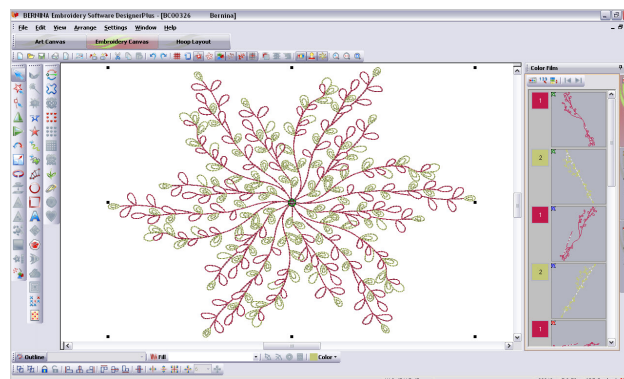

- ♦ Open design #BC00326 in BERNINA Embroidery Software.

- ♦ With the design selected, choose the wreath tool and select 6 wreath points.

- ♦ Create the design shown in the illustration.

Finished size: 12" x 12" including sashing

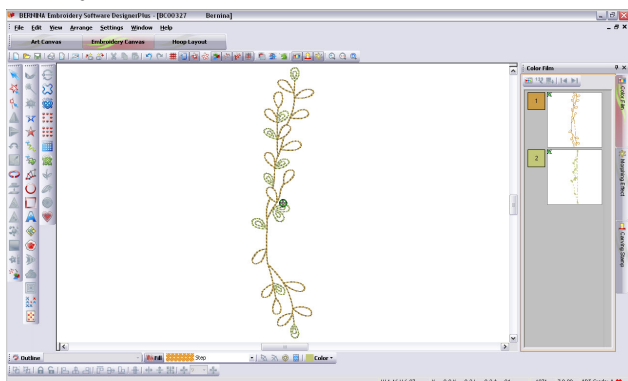

- ◆ The design should measure approximately 7.6" x 7.6". The design size may be changed in Object Properties > General.
- ◆ Go to Arrange > Sequence by Color to group the colors in the design.
- ◆ Save as "Block 3."
- ◆ Send the design to the USB stick or machine of your choice.

Embroider Block 3

- ◆ Cut the fabric for Block 3 to 12" x 12".
- ◆ Hoop the cream fabric with OESD PolyMesh Stabilizer.
- ◆ Embroider the design.
- ◆ Square block to 9½" x 9½".

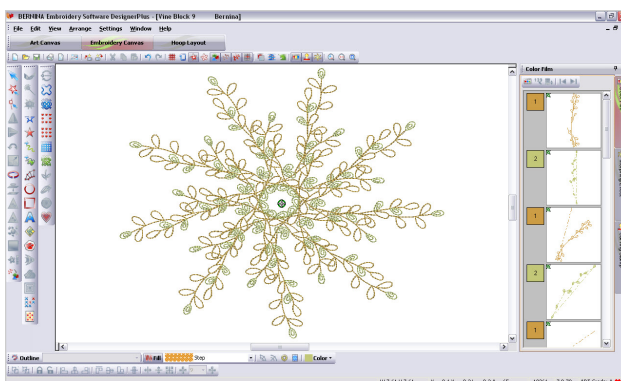

Design Block 4

- ◆ Open design #BC00327 in BERNINA Embroidery Software.

- ◆ With the design selected, choose the wreath tool and select 9 wreath points.
- ◆ Create the design shown in the illustration.

- ◆ The design should measure approximately

7.6" x 7.6". The design size may be changed in Object Properties > General.

- ◆ Go to Arrange > Sequence by Color to group the colors in the design.
- ◆ Save as "Block 4."
- ◆ Send the design to the USB stick or machine of your choice.

Embroider Block 4

- ◆ Cut the fabric for Block 4 to 12" x 12".
- ◆ Hoop the cream fabric with OESD PolyMesh Stabilizer and embroider the design.
- ◆ Square block to 9½" x 9½".

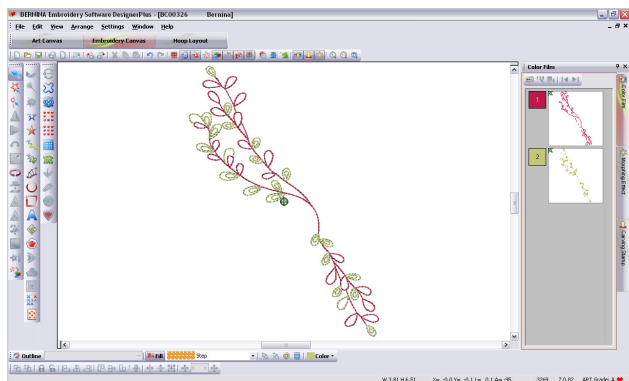

Finished size: 12" x 12" including sashing

Finished size: 12" x 12" including sashing

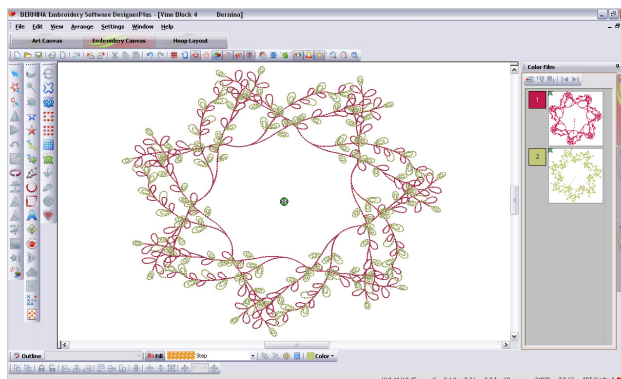

Design Block 5

- ♦ Open design #BC00326 in BERNINA Embroidery Software.

- ♦ With the design selected, choose the wreath tool and select 7 wreath points.

- ♦ Create the design shown in the illustration.

- ♦ The design should measure approximately 8.4" x 8.4". The design size may be changed in Object Properties > General.
- ♦ Go to Arrange > Sequence by Color to group the colors in the design.
- ♦ Save as "Block 5."
- ♦ Send the design to the USB stick or machine of your choice.

Embroider Block 5

- ♦ Cut the fabric for Block 5 to 12" x 12".
- ♦ Embroider the design.
- ♦ Square block to 9½" x 9½".

Sash Blocks 3, 4 & 5

- ♦ For the block sashing, cut six 2" x 9½" fabric strips; cut six 2" x 12½" fabric strips.
- ♦ Sew a 9½" strip to each side of each block. Press seams toward the red strips.
- ♦ Sew a 12½" strip to the top and bottom of each strip. Press seams toward the red strips.
- ♦ Finished blocks should measure 12½" x 12½".
