

Quilting Project

Going in Circles Quilt

Created by Kerry Finn

Challenge your creativity by using a variety of decorative stitches, a little embroidery, and lots of free-motion stitching as you go in circles!

Thirty-six squares of blue-hued fabrics are embellished with varying shades of blue Isacord threads along with a dash of silver metallic to create this simple, yet spectacular quilt. The Going in Circles Quilt will give you a new appreciation for the Circular Embroidery Attachment #83. Both practical and decorative stitches take on new appearances when you sew them in a circle! For added fun, attach the BERNINA Stitch Regulator #42 and get creative with some of those free-motion designs you have been waiting to try!

- 2 yards for borders & binding -
Benartex Style B528 - *Fossil Fern*,
Color 77
- 2 yards for backing -
Benartex Style B2046 - *Gradations II*,
Color 51

Planning Your Quilt

Have fun creating your own interpretation of the Going in Circles Quilt! Use the suggested color choices or select fabrics in your favorite color family to create your own unique quilt.

Tip: Audition the squares in place before piecing to ensure an interesting layout.

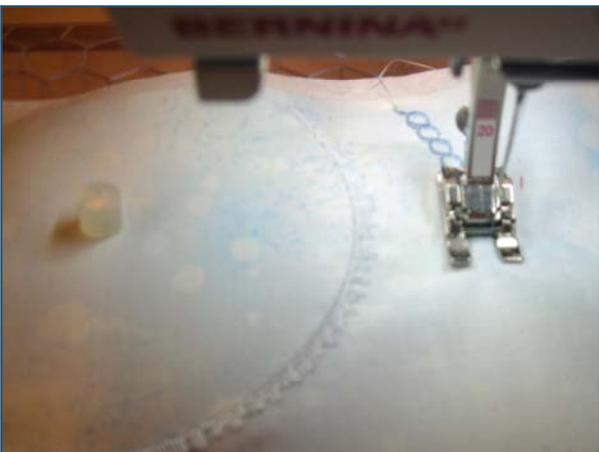

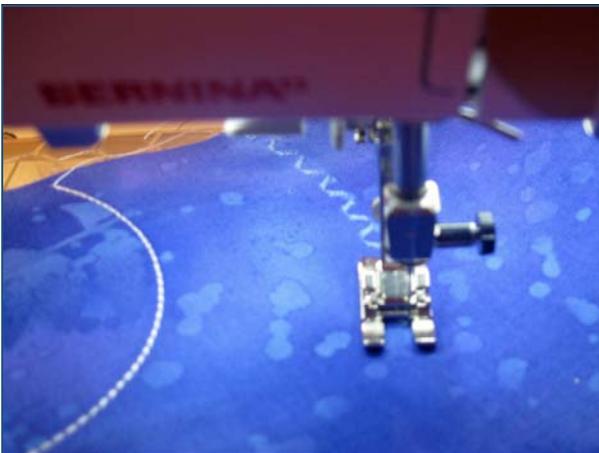

Cut the Fabric

- ♦ Cut the various shades of blue fabric into 7" x 7" squares.
- ♦ Back each block with Ultra Clean & Tear stabilizer using 505 Temporary Spray Adhesive to hold in place.

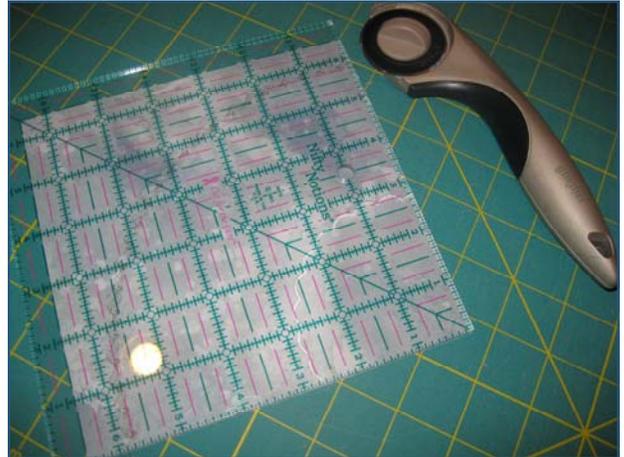

Stitch the Circles

- ♦ Attach Circular Embroidery Attachment #83 and Open Embroidery Foot #20 to the sewing machine.
- ♦ Stitch 1-3 circles on each block, varying the placement and circumference of the circles and using different practical and decorative stitches for each one.

- ♦ When the circles are complete, carefully pull away the excess stabilizer.

- ♦ Trim the blocks to 6½" x 6½" squares.

Piece the Blocks & Borders

- ♦ Arrange the blocks in a pleasing manner, six blocks across and six blocks down.
- ♦ Add 3½" borders to the sides and upper and lower edges of the quilt.

Construct the Quilt

- ◆ Layer the batting between the backing and pieced top.
- ◆ Baste the layers together with 505 Temporary Spray Adhesive.
- ◆ Choose an assortment of outline circular embroidery designs to quilt in the hoop. Embroider them diagonally across the quilt in a random arrangement, hooping all three layers of the quilt.

- ◆ Free-motion quilt between the circles and embroidered circles as desired. Achieve consistent free-motion stitching with the BERNINA Stitch Regulator #42. You'll stitch like a pro in no time!

- ◆ Bind the edges using your favorite technique.

- ◆ Enjoy!
