

Let's Quilt It...Muslin Quilt Four Point Stretch Block

*Featured Quilt Pattern
Take 5 by the Teacher's Pet*

Select and Sew Pattern

- From the **Main Menu**
- Touch **Pattern** under the “**Select & Sew**” .
- Select the **Block** tab
- Touch **any design** from menu of patterns.
- If prompted, **Set Safe Area** by following the instructions in the lower left corner on screen.

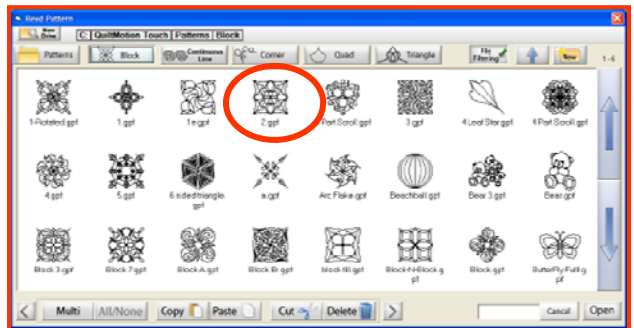

QuiltMotion Touch screen opens:

- Select the **Sewing Settings** or the **Settings** icon

Placement	Four Points
Fill Method	Stretch
Pattern Height	4.8
Pattern Width	4.8
Stitch Per Inch	10
Sew Speed	Medium

- Enter Placement- **Four Points**
- Enter Fill Method– **Stretch**
- Enter **Pattern Margins of 1/8 inch** on both the height and width.
Note: *These settings will be saved until they are **Reset** or changed.*

- Using the four corners of the block on your quilt mark the area to place the block.
- Select “**Sew**” on lower right of screen.
- Sew out the design.
- **Repeat** for each block in your quilt.
