QUILT FOR ALL / DEURSTIKWERK VIR ALMAL

THE 2021 Challenge is a Round Robin Quilt.

A Round Robin quilt is traditionally a group project where each member of the group adds a border to a central block, creating a medallion quilt.

The 2021 challenge is an individual project where the participant will do the centre block as per challenge #1 and add a border using a specific patchwork technique as prescribe in challenges # 2 - #5.

The final challenge (#6) will require that you quilt the project using various machine quilting techniques and finish the quilt with bias binding.

You may do the quilting on your domestic machine or on a quilt frame, but automation quilting will not be permitted.

Participants must post a photograph and a short description on how you implemented the challenge on your updated project during each month's challenge on the **Quilt for All / Deurstikwerk vir Almal** Facebook page.

Each member of the group is allowed to like a maximum of 3 projects at the end of each month and the project with the most likes will receive a small prize. If you are a winner of the month, you will not qualify to win another monthly prize.

You will need to post your updated project each month to qualify for one of the 3 main prizes at the end of the challenge.
