

“CONNECTIONS” Celebrating 125 years of Creativity with Bernina

Designed by Chris O'Brien, Adelaide/South Australia

STEP SIX: PIECING THE CHAINS 4 – 8 BLOCK (PART ONE)

We'll begin in the bottom right hand corner with Chain 8.

1. Sew the bottom row of Chain 7 to the top of the 6.5" background square.
2. Attach this new block to the left hand side of Chain 8.

3. Attach the central portion of Chain 7 to its bottom row, but **stop stitching before you get to the end of the seam**, as shown in the photograph above. *This is your first partial seam.*

4. Repeat these three steps as you move from Chain 7 up to Chain 5. Refer to the following photographs as a guide. For each block, ensure that you sew partial horizontal seams as you did in Step 3.
