EMBROIDERY

STEP 1

- Prep all applique fabrics by fusing the Fusible Woven to the back of the fabric with a medium hot iron.
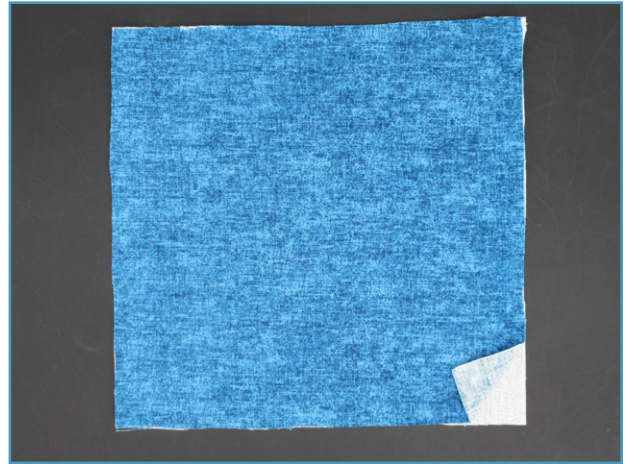

STEP 2

- Lightly spray temporary spray adhesive to 2 layers of Ultra Clean and Tear to the backside of the base fabric and hoop.
- Stitch Machine Step 1, Medium Blue Fabric Placement Stitch.

STEP 3

- Remove the hoop, lightly spray adhesive to the back of that applique fabric and place over the placement stitch covering it entirely.
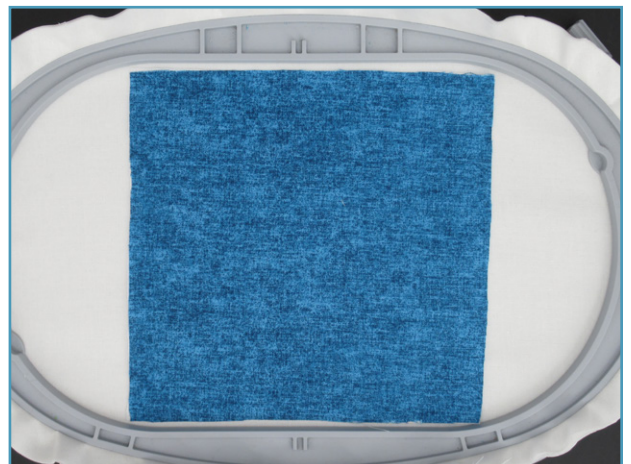

EMBROIDERY

STEP 4

- Return the hoop and Stitch Machine Step 2, Cut Line and Tackdown

STEP 5

- Remove the hoop from that machine and trim closely to the cut line.
- Repeat steps 2-5 for remaining appliques.

STEP 6

- Continue to sew remaining stitching detail.

embroidered runner and placemats

Gather your favorite scraps from my Celestial Lights Collection and use the coordinating Celestial Lights embroideries (#s 1-12) to make a (20" x 50") table runner and four (13" x 18") placemats!

Note that in addition to the fabrics listed you will need some Celestial Lights Cottonshot prints for the applique. The colors you will need will depend on the designs you choose to use.
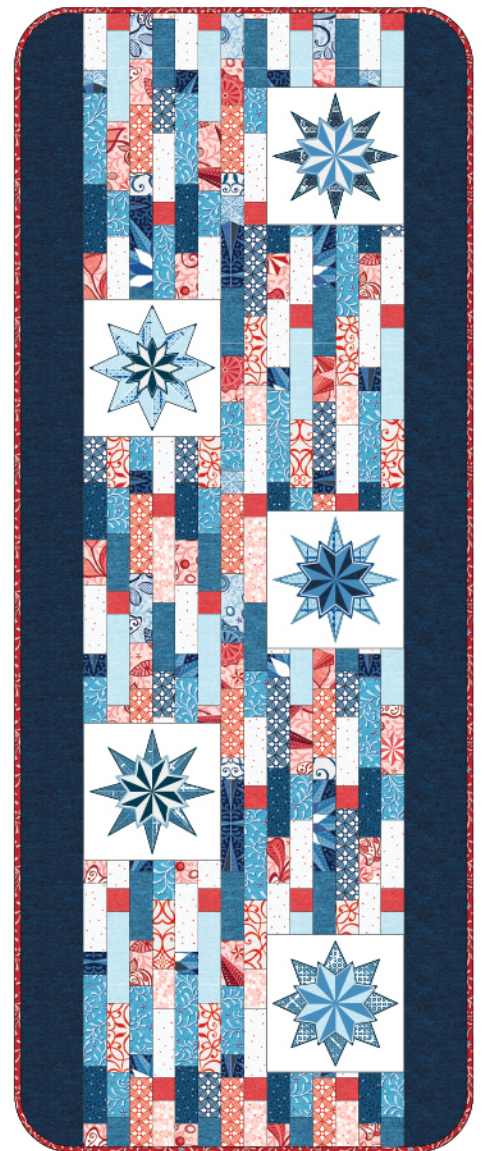

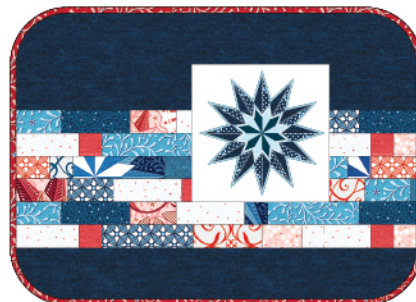

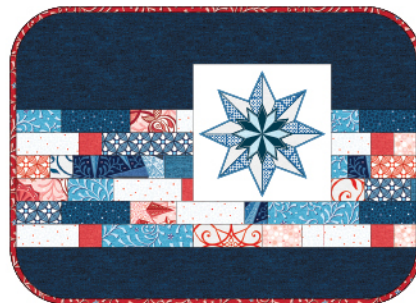

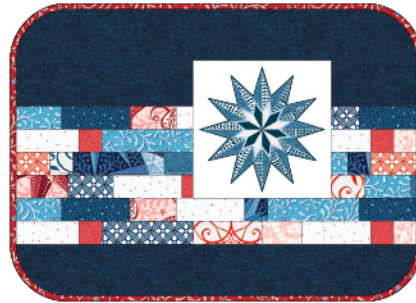

Celestial Lights Embroidered Runner

Note: All seam allowances are 1/4". WOF means "width of fabric".

Pieced scrappy strips	1 yard total comprised of 1-1/2" strips of Celestial Lights fabric - the scrappier the better!
Embroidered Blocks	5 squares 7" x 7" (9636P-09) Cotton Shot White)
Borders	1/3 yard (9636-11 Cotton Shot Navy)
Binding	5/8 yard (9632-10 Vine Red)
Backing	1-1/2 yards
OESD Stabilizer Ultra Clean and Tear	
OESD Fusible Woven	
Eversewn Batting OR 1 Bosal Table Runner #BOS439A	

Cutting

From Scrappy Strip fabric, cut a large amount of 1-1/2" strips into rectangles 1-1/2" wide and anywhere from 1-1/2" to 6" long. If you are using a cut from the full width of the fabric, you will need to cut about 16 strips to have enough, but if you are working from scraps you can just approximate and come back and cut more if need be.

From Borders fabric, cut 3 strips. 3-1/4" x WOF and piece into 2 rectangles 3-1/4" x 50".

From the Binding fabric cut enough 2-1/4" wide strips ON THE BIAS to yield binding that is 145" in length.

Embroidery

Back each Embroidered Block square with OESD Fusible Woven. Hoop two layers of OESD Ultra Clean and Tear in an embroidery hoop and use temporary spray adhesive to position a block on top. Embroider a 5-1/2" star (designs 1-12) onto the center of the block. Repeat to make 5 embroidered blocks.

Remove excess Ultra Clean and Tear and trim the blocks to 6-1/2" x 6-1/2".

Strip Sets

Piece assorted scrappy rectangles together, joining narrow edge to narrow edge, to create 2 scrappy strips that are 50" in length.

Piece remaining assorted scrappy rectangles together joining narrow edge to narrow edge, to create 12 scrappy strips that are at least 42" in length. Join 6 strips together to create a strip set. Repeat to make another strip set.

From the strip sets, cut 5 (13"wide) units and 2 (3-3/4" wide) units.

Runner Assembly
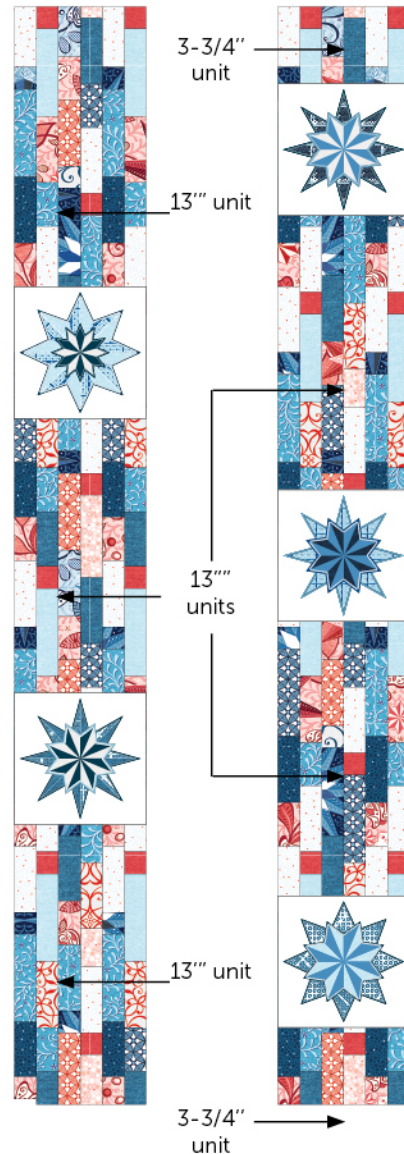

Assemble the strip set units and embroidered squares into columns, following the diagram on the left.

3-3/4" unit

13"' unit

13"" units

13"' unit

3-3/4" unit

Following Runner Assembly Diagram, join the Scrappy columns to form the runner center.

Join Borders rectangles 3-1/4'' x 50'' to sides of the runner.

Piece a rectangle of backing fabric that is larger than the runner.

If you are using the Bosal Table Runner in the place of batting, fuse the runner front onto the top of the adhesive foam. Use temporary spray adhesive to attach this unit to the backing. Make sure the backing fabric is oversized so that you have something to hang onto when quilting. Quilt as desired. If using traditional batting, layer backing, batting, and quilt top.

Trim the foam/batting and the backing flush with the quilt top. If desired, round the edges using the rounded edge template below.

Join the 2-1/4" wide Binding strips into 1 continuous piece for binding. Press, folding in half lengthwise. Machine stitch binding to the right side of the runner. Fold around to the back and hand stitch to secure. Enjoy!

Cutting

From Scrappy Strip fabric, cut a large amount of 1-1/2" strips into rectangles 1-1/2" wide and anywhere from 1-1/2" to 6" long. If you are using cuts from the full width of the fabric, you will need to cut about 12 strips to have enough, but if you are working from scraps you can just approximate and come back and cut more if need be.

From Borders fabric, cut 4 strips 3" x WOF and 2 strips 2-1/2" x WOF. Subcut the 3" wide strips into 8 rectangles 3" x 18-1/2". Cut the 2-1/2" wide strips into 4 rectangles 2-1/2" x 8-1/2" and 4 rectangles 2-1/2" x 4-1/2".

From the Binding fabric cut enough 2-1/4" wide strips ON THE BIAS to yield binding that is 260" in length.

Embroidery

Back each Embroidered Block square with OESD Fusible Woven. Hoop two layers of OESD Ultra Clean and Tear in an embroidery hoop and use temporary spray adhesive to position a block on top. Embroider a 5-1/2" star (designs 1-12) onto the center of the block. Repeat to make 5 embroidered blocks.

Remove excess Ultra Clean and Tear and trim the blocks to 6-1/2" x 6-1/2".

Strip Sets

Piece assorted scrappy rectangles together joining narrow edge to narrow edge, to create 8 scrappy strips that are 18-1/2" in length. Join 4 sets of 2 strips together to create 4 units. Set aside.

Piece remaining assorted scrappy rectangles together joining narrow edge to narrow edge, to create 4 scrappy strips that are at least 55" in length. Join these together to create a strip set.

From the strip sets, cut 4 (8-1/2" wide) units and 4 (4-1/2" wide) units.

Placemat Assembly

Join a Borders rectangle 8-1/2" x 2-1/2" onto the top of each of the 8-1/2" wide units. Join a Borders rectangle 4-1/2" x 2-1/2" onto the top of each of the 4-1/2" wide units. Join one of each of these units onto opposite sides of each of the embroidered blocks as shown.
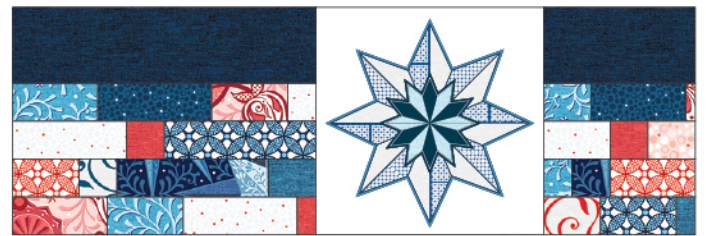

Add a Borders rectangle 3" x 18-1/2" onto the top and bottom of each placemat.
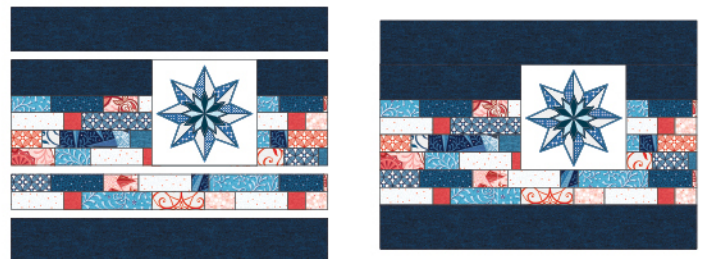

If you are using the Bosal placemats fuse the front of the placemats onto the fusible side of the foam. Trim excess fabric flush with curved shape of the foam. Use Temporary Spray adhesive to attach the placemats to the backing fabric. Quilt as desired.

If using traditional batting, layer the backing, batting, and quilt top and quilt. Trim each placemat to a rectangle 13"x 18". Round the edges using the rounded edge template on the previous page.

Join the 2-1/4" wide Binding strips into 1 continuous piece for binding. Press, folding in half lengthwise. Machine stitch binding to the right side of the placemats. Fold around to the back and hand stitch to secure. Enjoy!
