1 DESIGNER STYLE AND PERFORMANCE

High-quality and at the same time, brilliant simplicity. The B 435 Black Edition combines practical advantages with elegant design. State-of-the-art technology creates the highest quality stitches on any material, even leather. The limited edition comes with a striking piano black faceplate for designer style.

2 SEWING TIME IS PRECIOUS.

Thanks to the Jumbo Bobbin, there is less stop-and-go when sewing. It holds up to 70% more thread than a standard bobbin. Re-threading is convenient thanks to the front loading bobbin – no need to remove the fabric.

3 BERNINA FREE HAND SYSTEM (FHS)

With the BERNINA Free Hand System, you can raise or lower the presser foot and lower the feed dog at the same time – without taking your hands off the fabric. The Knee Lifter makes it possible!

4 EASY OPERATION THANKS TO AN INTUITIVE TOUCH SCREEN

Easily select stitches on the touch screen. Create continuous patterns using pattern repeat. Simple and creative.

5 SIMPLE IS BEAUTIFUL

There are a number of things that make sewing with the B 435 Black Edition easier and even more enjoyable. The two multi-function knobs can be operated while sewing. The buttons for reverse sewing or securing are ideally placed at the front of the machine, within easy reach. The freearm makes working on closed items, such as cuffs or trouser legs, particularly convenient.
